FIREMEN CONVENE HERE SUNDAY

FIELD MASS SUNDAY TO HONOR BISHOP BYRNE

Eclipsing, perhaps, anything of its kind ever witnessed in the central section of Texas, a solemn field mass will be offered Sunday, October 5, at Burlington, designated the Central Texas commemoration of the golden jubilee of his ordination to the priesthood of Most Rev. C. E. Byrne, D. D., bishop of Galveston, and at which he will be the central figure.

The field mass, so far as known, will be the first religious ceremony of its kind in Central Texas since Bishop Byrne became the spiritual head of the Galveston diocese, nearly 23 years ago.

Sponsoring the event are St. Michael's parish of Burlington, St. Ann's parish of Rosebud and Cameron Council, Knights of Columbus. Celebrant of the mass beginning at 11 a. m. will be Rev. John T. Geiser, pastor of St. Martin's Church of Tours, son of St. Nichola's parish, and son of Mrs. Mary Geiser of Burlington. He will have for his assistants the following: Deacon, Rev. J. P. O'Sullivan of Waco, subdeacon, Rev. Edward Bastien, O. M. I. of Taylor; master of ceremonies, Eugene Braden of Burlington, seminarian at St. Marys university of LaPorte. Bishop Byrne's assistants will be the Revs. P. J. O'Reilly of Temple, and Tom F. O'Sullivan of Taylor.

Bishop Byrne will deliver the sermon at the Jubilee field mass. Directed by Rev. James d'Autremont, C. S. C., the musical parts of the mass will be sung by the choir of St Edward's university of Austin, an organization renowned for its marvelous interpretation of church music.

Probably the most beautiful set of vestments ever seen in Texas will be worn by the officers of the mass. This is the famed blue bonnet set, which Bishop Byrne had made for the field mass celebrated on the San Jacinto battlefield, April 21, 1936, outstanding feature of the Texas Centennial observance. The blue bonnet, Texas state flower, is exquisitely embroidered on the white satin vestments.

During the procession to the site where the mass will be offered, Fourth degree Knights of Columbus, clad in the regalia of their rank, will form a guard of honor to Bishop Byrne. Arranging this feature are State Deputy Gus J. Strauss of Austin and District Deputy E. J. Voltin of Bryan.

Ladies of St. Michael's parish, under the direction of Mrs. Leo O'Neill will serve a luncheon at 1 p. m. Principal speaker at that time will be Congressman Lyndon B. Johnson of the Austin district, who will, it is announced represent Gov. Coke R. Stevenson.

For the afternoon, games and field events have been provided.

Cotton will be auctioned, and other diversions have been arranged. A chicken and sausage supper will be served in the evening.

Rev. A. L. O'Connell, pastor of St. Michael's Church, has been advised that a gathering of at least 6000 people will be present for the occasion. It promises, he said, to be the biggest event of its kind ever scheduled for Central Texas.

MODERN EQUIPMENT IS INSTALLED AT PETER CO.

Progress notes in Cameron today told of encouragement to the rapidly expanding produce business.

The Peter Company, widely known influential produce market operators were installing machinery for the current handling of turkeys.

The Peter Company, composed of Robert J. Peter and Martin N. Peter, recently established headquarters in Cameron to buy produce from a wide section of Central Texas. A number of years ago the Peter Company operated a branch house in Cameron with headquarters in Giddings. They have returned to their old field of operation and have paid Cameron and this territory the compliment of establishing their headquarters here.

A representative of the Daily Herald found electricians wiring in modern equipment for handling turkeys. This equipment is known as a picker. It is automatic and more than 600 bords per hour pass through this picker in perfect sanitation and ready for the storage vaults adjoining the Produce House.

This equipment is modern in every detail and when in operation will be something new for this section.

The Peter Company will employ a large number of peopie. The current turkey crop is said to be large and good prices will make its sale important as a trade factor in this community. By maintaining a packing center the Peter Company will bring much produce from other sections of Texas to Cameron.

The establishment of the Peter Company in Cameron is an outstanding commercial development of the year and its influence will be felt in the expansion of the poultry industry on Milam county farms.

BUSINESS WOMEN'S WEEK IS PROCLAIMED

In a proclamation issued early Thursday Mayor Chas. C. Smith, calls attention to National Business Women's Week to be observed in October. Mayor Smith issued the proclamation to commend the local Business and Professional Women's Club.

The proclamation is as follows:

To All to Whom these Presents Shall Come:

Whereas, The anniversary of the National Business Women's Week will be celebrated this October, and

Whereas, it is fitting at this time to commend women for the manner in which they have assumed the increased duties and responsibilities that came with the greater privileges of the century; and

Whereas, the business women should be encouraged and urged to continue assuming the obligaions of citizenship to the end that through the united efforts of men and women alike the problems of Democracy may be solved;

Whereas, the Business Women throughout the nation have adopted for study and action this year a program that will unify their efforts to "Strengthen Democracy for Defense.

Now, Therefore; I, Charles C. Smith, Mayor of City of Cameron, Texas, do hereby set aside and proclaim the week of October 5th-11th, as Business Women's Week, and urge that it be fittingly observed in our City, State of Texas.

In Testimony Hereof, I have hereinto signed my name officially; and caused the Seal of City of Cameron to be impressed at Cameron this the 2nd day of October, A. D. 1941.

(Seal) CHAS. C. SMITH, Mayor.

CRITICALLY ILL

Miss Lillie Mag Jeter is critically ill in a Marlin Hospital. Her condition has shown no improvement and she has not progressed at any time sufficient to bring her home. Many friends are hopeful she may soon return

YOEMEN ARE READY FOR TIGER GAME

There was an atmosphere of grim determination in the camp of Carroll Wood's Cameron Yoemen on the eve of their first conference game with the Rockdale Tigers at Yoemen field Friday night October 3.

The Yoemen were not under estimating the hard battle ahead and while there were some who were ready to predict that the Yoemen might lose their opening conference game, it would be hard for any member of the squad to understand that.

Coach Wood is seldom talkative, especially on the eve of an important game, but he did not hesitate to say that his boys are ready. This is a guarantee that fans will see a gridiron battle on Yoemen Field Friday night.

The Tigers under a new Coach this year have defeated Caldwell and Gatesville. They are bringing to Cameron a fast and heavy backfield and an all around experienced team.

The Yoemen have won two games with impressive scores over McGregor and Caldwell, but it will be the first time either team has encountered anything like strong competition.

On the eve of this important game the first cool norther of the season was forecast and indications were the weather would be ideal for the kick off.

Football Squads to Be Guests at Milam Theatre Friday Night

Members of the A Squads of the Rockdale and Cameron football teams will be guests of Stanley Swift at the Milam Theatre Friday night.

The show is the preview " Harmon of Michigan,' a football entertainment.

The show will start at 10:30 p. m. following the game here between Rockdale and Cameron. This fine courtesy is extended each year to football boys by Mr. Swift.

CRISIS DEVELOPS IN U. S-JAP, RELATIONS

A crisis has developed in the relations between the United States and Japan, said a Washington report Thursday.

Negotiations were said to be at an end and anything may happen now that Germany is succeeding so well with her drive into Russia.

Although no official statement was forthcoming it was understood that the United States had demanded that Japan renounce the Axis alliance and agree not to attack Russia.

Japan it was understood had refused to meet those demands. The United States would not yield and a show down is looked for soon.

No Tax on Season Tickets Sold Prior to Octo. 1

All season tickets sold prior to October 1 for football games will be exempted from the federal tax which became operative on that day. J. R. Hays, chairman of the Athletic Council, has obtained a ruling from the Collector of Internal Revenue in Austin which advised that no tax will occur on season tickets purchased prior to October 1.

Season tickets presented at the game Friday night will not bear tax but all paid admissions to the field will be subject to the new federal tax of 1c on each 10c of the admission fee.

Five Indictments Returned by Jury

Five indictments were returned by the Grand Jury in District Court Tuesday against 3 men.

Frank Thompson, now at Hico, was indicted on the charge of conversion by bailee. Jim McCormick and Jack Turner of the Hamilton Chapel community in Milam county, were indicted on charges of burglary and theft, two cases each.

The cases have been set down for trial on Monday, October 8.

NEW 1942 FORD HERE FRIDAY OCTOBER 3RD

The new Ford for 1942 will be on display at the Hefley-Stedman Motor Company Friday morning October 3.

The new Ford is a massive new car with new lines and many new features to make it the greatest Ford ever built.

H. H. Stedman of the company who has seen the car at a showing in Houston, feels sure the people will receive it with the same enthusiasm it has received throughout the nation. The Lincoln and the Zephyr have also been changed in appearance.

The new Ford will be in the show room of Hefley-Stedham Motor Co., early Friday and crowds are expected throughout the day as well as on Saturday to see this sensational new car value by Ford.

Its features will be expained by officials at the Motor Company who await your visit with much pleasure.

LOUD SPEAKER TO BROADCAST GAMES

Good news for the people who pay admission to the Athletic Field and support the Athletic program came Monday from Albert Collins, a member of the Athletic Council, when he announced that a public address system will be in operation Friday night when the Yoemen play the Rockdale Tigers.

The School Board has made available to the Athletic Council the public address system which the Superintendent recently purchased out of the cap and gown fund. The Board also voted to open the loud speaker system to advertising to all. A fee of $1.50 will be charged for each cut in It was understood that the entire 5 games could not be purchased by any individual or firm exclusive.

The people of Cameron are not interested in advertising over the loud speaker and expressions against advertisements have predominated.

The Daily Herald, in an editorial last week, expressed regret that a controversy had arisen over the use of the speaker system resulting in its denial for use in the games with McGregor. Happily for the people a spirit of co-operation has finally prevailed and the system will be made available for broadcasting the games. The public address system is indispensible to enjoyment of football and the people everywhere will thank the School Board and the Athletic Council for providing these facilities.

What all should remember is that we are not interested in advertising over this system. Advertising belongs to the newspaper primarily and not at football games.

As a result of this good news the pump knot on John Public's head is reduced in size and may disappear altogether if we keep up the good work of co-operating with one another.

ROPING CLUB LEADING WAY TO BIG RODEO

Cameron's Roping Club will entertain the people Sunday afternoon with a free roping contest at the Park Arena.

The Club is leading the way to a Big Rodeo for Cameron. The guage of public interest in the plan is to be determined by the attendance record and so far the crowds have been large.

In time grand stands are to be erected and then Cameron will have one of the best rodeo arenas in the state.

The City of Cameron has built pens and chutes. If the people show proper interest the city will undertake this major entertainment feature.

The Roping Club deserves much credit. Its members are building for the future of the city.

A horse show is planned for November. Next year it is believed a Rodeo will be possible.

HAYS EXPLAINS RULES ON SPEAKER SYSTEM

The new Federal tax on football admission tickets which goes into effect on October 1 was explained today by J. R. Hays, President of the Athletic Council.

The admission charge at the local game is 50c and the tax will be 5c on each admission for an adult ticket. The tax on student tickets will be 3c.

Mr. Hays explained the action taken by the Athletic Council on Monday night. All season tickets which have been sold must also bear a tax and the tax for the 5 games will be charged on all student tickets presented at the gate Friday night. A tax also must be paid on season tickets for adults.

The Athletic Council voted to require the public to absorb the tax.

Regarding the public address system, Mr. Hays said the Council established a policy of charging $1.50 for a maximum of 30 words and 5c for each additional word. The address system is now available to all who wish to advertise.

Children who have purchased season tickets will be required to pay only 5c on Friday night and that will complete their tax for the entire 5 games scheduled.

The School Board voted to turn over the Athletic Council the public address system and that advertising be made available to all except beer an liquor dealers who are prohibited from using the system.

The Athletic Council is to bear the expense of installing the loud speaker at each game and will receive all profits from advertising.

LOCAL DEPARTMENT IS HOST TO VISITORS

Sunday October 5th will be a day of great distinction for the Cameron Fire Department as well as all the people of Cameron when the local department and this city will be host to all the Volunteer Firemen, as well as Chiefs of the Departments of Central Texas.

Local firemen have made all arrangements to welcome and entertain their Firemen guests and ask the co-operation of all the citizens to do their part to make the visitors feel welcome.

The program for the day is as follows:

9:00 a. m. Registration at the Fire Station

10:00 a. m Business meeting at the K. of C. Hall. The public is invited to attend our business meetings, to give you an idea of our association.

The opening of the meeting of the Association will be followed by a welcome address by Mayor Chas. C. Smith, and a representative of the Chamber of Commerce.

H. L. Stockbridge, First Vice President of the Association will make the responding address for the Association. He is Fire Chief of Round Rock

Then will follow the regular business session.

At 12:00 a. m. Barbecue and all the trimmings at the Country Club for Firemen and visitors.

Featured speakers for the day will be Olin Culberson, Secretary of the State Firemen's and the Marshal's Association of Austin.

Address by George W. Carlson, Special Agent of the FBI of San

MILAM THEATRE OPENS FRIDAY NIGHT OCTOBER 3

The Milam Theatre which has been under construction for several weeks will be opened at 7:30 p. m. Friday night October 3 with three major motion picture scheduled for its inaugural.

The Theatre is one of the most beautiful in Central Texas and will be a popular priced show house, the admission being 11c and 22c. including federal tax.

The interior of the Theatre has been redone and the front speaks for for itsef. When the lights are turned on after dark on Friday the beauty of the Theatre will be doubly impressive and the people can get a brilliant description of what Mr. Swift has achieved in this modern show house.

The opening performance will be "The Son of Davy Crockett" with Bill Elliot. This is a western picture and one of a type which has made the Milam famous for years. The story is that the son of Davy Crockett is commissioned by President Grant to clean up frontier territory left by surveyor's error, between the United States and the Indian territory.

You can imagine what takes place when the top notch performer, Bill Elliot, moves into his role of hero in this recent release by Columbia.

A midnight preview starts at 10:30 with Tom Harmon in "Harmon of Michigan," and football entertainment.

On Sunday the Theatre will feature "Sis Hopkins" with Judy Canova and Bob Crosby.

The same admission charge will prevail on Sunday as well. It is of interest to note that the Milam Theatre will be open each Sunday thus making three days each week in which pictures are to be shown at this modern new Theatre.

Mr. Swift extends a cordial welcome to all the former patrons of this show and to the public at large to be in Cameron for the opening Friday night.

"Harmon of Michigan," Football Preview Is Part of Inaugural Entertainment at the Milam Which Opens at 7:30 Friday Night October 3rd.

Inaugural day for the Milam Theatre will crowd more entertainment into twenty-four hours than any other event of its kind ever celebrated in Cameron.

Stanley Swift, owner of the Theater, will open the show at 7:30 on Friday night, October 3. Due to the fact that this show is so designed that it will be the bright spot of Conral Texas, the opening has been arranged to occur after night fall.

The occasion also marks the opening of the conference football season in Cameron between Rockdale and the Yoemen and to afford football fans an opportunity to see the current great picture, "Harmon of Michigan," Mr. Swift has booked a football review which will begin at the usual preview hour following the regular show.

Football fans and members of the football squad may enjoy this preview after the game.

The picture has to do with Tom Harmon, the American gridiron hero of last year.

What happens to a football hero after graduation with plaudits ringing in his ears is told in the story. Harmon, playing himself, finds his first job as assistant coach lost because of the antagonism of his superior. After playing pro-football, he becomes an assistant to a gridiron venteran, but leaves to coach a rival college. Through the use of an illegal play, he defeats his mentor's team and resigns, after realizing that there's something more than winning games of football.

Harmon, in this picture, is supported by Forest Evashevski, another gridiron hero. Anita Louise is the college girl who becomes his wife. It is a cast of top flight stars and the big magazines have given the picture much favorable comment all over the nation.

MAY SIGNAL OPENING MEDITERRANEAN WAR

War flared up in the Mediterranean with a gigantic air and sea battle being fought between the British and the Italians.

A London report shortly before noon today said the Italians claim 14 ships of the British line had been sunk was an error. The British say they lost only one ship and shot down out of the air at least 14 Italian bombers attacking the convoy.

The Royal Air Force struck at widely scattered points along the Italian coast and in North Africa.

There has been no war on North Africa for sometime. The battle gave rise to belief that the British are attempting large scale transporation of munitions to Russia through the Red Sea and dared to cross the Mediterranean from the West end at Gibraltar.

The battle was said to be still in progress and may indicate the beginning of wide scale operation in that area.

The Russians and the Germans were still locked in a death struggle over Leningrad, Crimea and Smolensk. The Germans made significant advances in the Ukraine last week and have approached the great industrial region at Krakov, but in Crimea, the Germans are said to have been defeated temporarily with appalling loss of life.

The red heart is set on a total defense of Leningrad which is the home of Nocoli Lenin, father of the Russian Revolution.

Men, women and children among civilians are fighting to the last drop of blood and the Germans are far from capturing the city.

In Washington a battle was shaping in advance of what all say the President will precipitate

Do You Know?

Do you know how many a good turn has been done during the past year by your Community Chest?

To begin with Child Welfare—through the Lunch Room at Ada Henderson School, milk and certain other needed articles have been furnished under-nourished and indigent children through the Chest's treasurer.

It is most gratifying to learn that even the dental health of these under privileged show marked improvemen, according to examinations made by our local dentists since the opening of the present school term.

Another service to under-privileged children (and you will be more than glad to have shared in this) we have, in Cameron several children who have been crippled through accident or disease. As these children return home from hospitals they bring letters asking that milk, eggs and perhaps other nourishing food be provided to buld up the children's general condition. In every case Welfare Funds of your Community Chest have provided the needed food and milk.

Then there are Cameron children reported by our County Health Unit as awaiting admission to, or having returned from State Sanitorium for tuberculosis, and needing nourishing food. The same response is given in these cases, where wholesome food and fresh air are essential to recovery.

Next week we will tell you of other good things you have accomplished through your Community Chest.

TO THE PEOPLE OF CAMERON

I wish to express my sincere thanks to the people of Cameron for their kindness and consideration to me. My election as band sweetheart makes me very happy and I want to thank each one who contributed to my success.

Doris Nell McLane.

GERMANS THROWN BACK ON 5 FRONTS TODAY

A fierce battle, said to be one of the bloodiest in history, was raging Friday around Leningrad as the Russians began a series of counter attacks which had pushed the Germans back at 5 points from their attack upon the city.

The official German news commenting upon the situation said the Nazis were encountering stiff resistence and this was taken to indicate that there was some truth in the Russian report.

The British government has again stated that tanks and airplanes are now making their appearance on the eastern front and that more aid is being dispatched to the Soviet.

It was said that the Germans have suffered severe losses at Leningrad and have been forced to call up reinforcements because of those losses.

The battle of Washington broke today with fury as the grenades of oratory were being thrown about by irate Senators on both sides. Senator McKellar introduced the resolution to repeal the neutrality act denouncing it as a piece of cowardice.

Senator Nye, one of the Isolationists group, who along with Lindbergh and Wheeler are representing Hitler by opposing any intervention, said he had rather the British empire perish than for one American soldier to die.

Administration leaders indicated they wanted repeal of the neutrality law, but under present conditions there was no way to tell whether they would support such a move or surrender to Anti-British sentiment.

CHRISTIAN SCIENCE SERVICES

"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 5.

The Golden Text is: "All that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth he will of God abideth for ever" (I John 2:16, 17.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God" (II Corinthians 1:3, 4.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Suffering, sinning, dying beliefs are unreal. When divine Science is universally understood, they will have no ower over man, for man is immortal and lives by divine authority." (page 76.)

6720 Bales of Cotton Ginned to Sept. 27th.

There were 6,720 bales of cotton ginned in Milam county up to Saturday morning.

These figures are supplied by Mrs. Jack DuBois at the office of the Agricultural Adjustment Administration. These figures do not indicate the exact number of bales of cotton produced in Milam County but are substantially correct, allowing for cotton produced near the county lines where gins are convenient.

The number of bales is considerably below the figures for the same date in 1940. Indications are the county will produce around 20,000 bales.

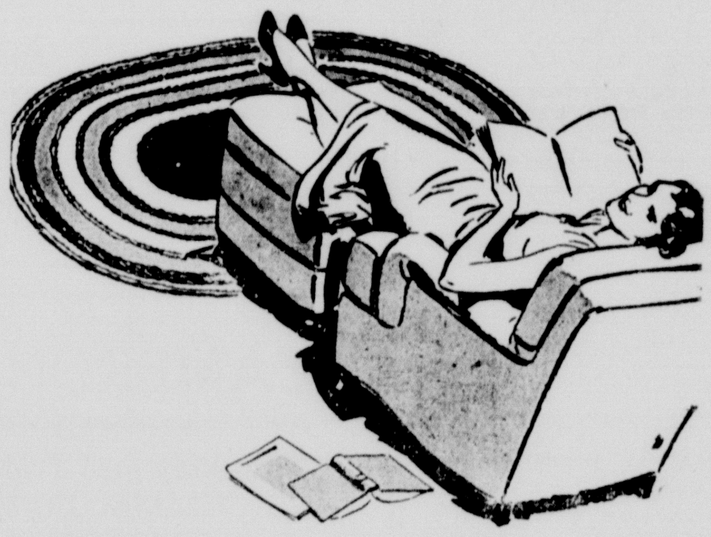
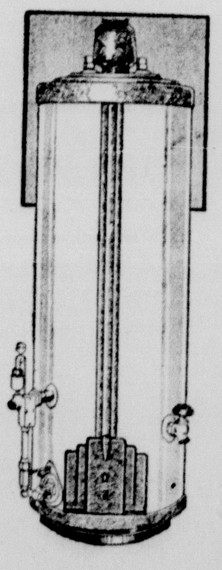
PEACE OF MIND



Give Her Freedom from Worry over Hot Water

You know how a piece of worn out or inefficient equipment in your business can give you trouble and plenty of worry. In the home an old fashioned water heater causes trouble for your wife. Having plenty of hot water on tap is one of her most important home aids. See that she has it with a modern gas-automatic heater.



Completely AUTOMATIC

Modern gas water heater requires absolutely no attention. It provides all the hot water your family needs at just the temperature you prefer. It is efficient, long lasting and requires only a few pennies' worth of gas service a day for its operation.

Easy Pay TERMS

You know as well as any one what's liable to happen to prices so a delay in modernizing your hot water service might prove costly. Gas-automatic water heaters installed on easy pay terms up to eighteen months. See your dealer or gas company.

NAVAL RECRUITING STAFF TO VISIT CAMERON SOON

A naval recruiting staff will visit Cameron on October 10 and 22 it was announced from the Naval Recruiting station at Austin.

Recently Draft Boards were required to furnish the recruiting services of the navy and army with names of registrants.

The rapid rate of recruiting has made drafting of men less necessary to fill existing needs in the army services.

Men from 17 to 36 will be accepted in the navy and they will be given an opportunity to learn a trade of their choice.

Mrs. A. N. Weems is in Bay Town with her daughter, Mrs. Albert Evard, who recently underwent an operation.

MILAM COUNTY BAPTIST ASSOCIATION

The Annual meeting of the Milam County Baptist Association is to be held in Burlington beginning Thursday night and continuing through Friday. A fine program has been planned and it is earnestly hoped that many of our people will be present. Rev. A. J. Holt of Waco is a principal speaker as well as many of the outstanding ministers of our Association.

At this meeting the Church Letters of the various churches will be read, the work of the past year will be reviewed and plans for the coming year will be made. New officers will be elected and details and plans will be worked out.

Word comes from John W. Seidl at Marlin. He is there taking the baths and treatment to improve his health. Mr. Seidl has been in declining health for some time. He is improving and friends here will be glad to know that he may soon return to his home in good health. Mr. Seidl lives at Ben Arnold.

Hilliard Thomas is At Iceland Garrison

Hilliard Thomas, Texas University graduate in business administration who accepted a place with the Texas Warrant Company after his courses were completed, and who enlisted for 3 years in the United States Army, is now in Iceland.

Word was received this week by his parents, Mr. and Mrs. Rush A. Thomas that he had arrived safely in the reaches of the north Atlantic where the United States has undertaken patrol and defense duties in defense waters.

Hilliard was given a place in the finance department of the army. Several weeks ago he left Fort Sam Houston for an undisclosed destination. His arrival in Iceland is a tribute to the secrecy with which America is moving her fighting men into outpost positions.

SEWING ROOM CLOSES

The WPA sewing room, operated in Cameron for several years, closed Tuesday, October 2, at 5 o'clock.

It was said here that the room closed for lack of federal funds. All sewing rooms in Texas have closed except the room at Austin, it was said here.

Mrs. Roundtree of Rockdale, Mrs. Phillips and Mrs. McCowen of Rockdale, Aetna Smith of Cameron and Mrs. R. H. McIntosh of Cameron are attending a meeting of the Colonial Dames at the Kyle Hotel in Temple. Miss Smith is Secretary and Mrs. McIntosh is President.

Mesdames W. D. Bigbee and sister, Conn Moody, have returned from Brownsville where they saw W. D. Bigbee take off in the plane for Nicaragua where he will be stationed with the Pan-American Airway as assistant engineer.

REBEKAS GIVE PARTY

On Tuesday night at 7:30 the Rebeka's and their guests have a so-forty-two party at the Odd Fellows Hall. After games were played they were served a covered dish lunch.

On every fifth Tuesday the Rebeka's and their families enjoyed a cial.

Miss Doris Shelley has accepted the position as secretary to the local State Department of Public Welfare, under he direction of the head office lady, Miss Mary Finks. Miss Shelley is the daughter of Mr. and Mrs. Shelley of Buckholts.

Mr. and Mrs. Elliott Atkinson and family have returned to Elderado, Arkansas.

What! You never served

BAKED HAM

the KARO way?

Say! if you want to give your baked ham glorious flavor, "dress" it with a Karo glaze. Half-hour before your ham is done, take it from the oven, strip off the fat, and "glaze" it this way:

KARO GLAZE FOR HAM

½ cup Karo (blue label) ½ cup water
2 tsp. clear ham fat 2 tsp. vinegar

Pour Karo, water, vinegar and ham fat in saucepan; bring to boil; continue cooking 10 minutes. Remove from heat; let cool slightly before pouring over ham. Continue to cook ham for ½ hour, basting several times.

Karo adds food value as well as flavor to meals. It's rich in dextrins, maltose and DEXTROSE, food-energy sugar.

NEWS FROM MILANO

The marriage of Miss Alma Davenport and Colgate Dennis took place at the Baptist Church Monday, at 9:30 a. m. September 22. The rites were perfromed by their Pastor, Rev. Dabney in the presence of relatives and a few invited guests.

The bride wore a street length dress of Soldier blue crepe with pearl buttons.

The bride is the youngest daughter of Mr. and Mrs. Scott Davenport of Sandy Creek. The groom is the eldest son of Mr. and Mrs. Rice Dennis of Milano. They both finished Milano High School.

Shortly after the wedding the newly married couple left for their home in Houston where Mr. Dennis is employed.

Mrs. Winkler, grand mother of the bride, was present for the wedding.

Mrs. T. B. Holland Dies Here

Mrs. Estelle Bell Holland died at her home here Tuesday night at 11:45. Mrs. Holland was 81. She was a native of Alabama and had lived in Milam county 56 years. Her husband, T. B. Holland preceeded her in death several years ago.

Funeral services were held from the Milano Methodist Church of which she was a member, Wednesday at 4 p. m. with Rev. Oliver Cole, pastor, officiating. There was not room in the church to hold all the people that came to pay respect to one they had known and loved so long.

She is survived by 6 daughters and 2 sons as follows: Mrs. W. E. Tisale, Mrs. S. C. Devalle, Mrs. C. J. Little, Mrs. C. E. Boggan all of Milano, Mrs. Frank Mills of Cameron, Mrs. F. W. Boggan of Mumford, J. N. Holland of Forrester and James Holland of Milano. Also several grand children and great grand children.

* * * *

Mr. and Mrs. V. W. Brooks of Milano, Mr. and Mrs. R. L. Brooks of Galveston left Milano early Sunday morning, September 15, for a two weeks vacation trip that carried them 5000 miles through Texas, Arizona and California. They have returned home and report a wonderful visit. Their first stop was with a brother in Phoenix, Arizona, then into California where they spent some time sight seeing. Their only disappointment was they did not get to see and talk to their favorite movie star as they were out of town when they called on them. Mr. Brooks said he did not see any place that suited him as well as Milano. They made the trip in their car and are glad to be back home.

Mrs. Lenard of Houston is a guest of her parents, Mr. and Mrs. Bob James. It will be remembered that Mr. James was on a car wreck over two months ago and got his leg broken and is not able to walk yet. His leg is still in a cast.

Mrs. Ara Timmons was called to Longview Sunday to the bedside of her daughter in law, Mrs. Billie Timmons who will undergo an operation soon.

Mrs. Ida Howes spent the week end with her daughter in Bryan.

Mr. and Mrs. Claude McLeod and son Morman Reed spent Sunday in Friendship with his brother and family.

Mrs. W E. Thomas is a guest of her children in Houston. She will be gone two weeks.

HOYTE PTA MEETS

Hoyte PTA opened their active year with an interesting meeting Friday afternoon, September 26. Election of officers and discussion of the year's program occupied the first part of the afternoon.

Mrs. Baker, School Principal, gave an informative outline of the school work under the new twelve grade system.

Inspection of the new Lunch Room was them made. Mrs. Robinson gave an interesting discussion of its purpose and operation. Each mother felt gratified to place the feeding of her child in such gracious and capable hands.

The children of Hoyte are sponsoring the Lunch Room under the supervision of the PTA. Various contributions are being made to the Lunch Room.

One father plans to take each days garbage and feed a pig which at a later date and a larger size will do his share in providing varied balanced meals for the school children.

With new interests and an increased membership we look forward to a most successful year at Hoyte.

Cameron Students Are High Ranking Among Upper Ten at Texas

Three Cameron students, all graduates of Yoe High School, have won signal honors at the University of Texas.

The students are Wayland Kidd, Doris Newton and Marian Hall and they are three among the upper ten percent of the student body among freshmen who took the psychological test in English.

This is the first time in the history of the University that three students from the same city have received such honors.

Rat Eradication To Begin Oct. 20

Organization of the anti-rat campaign in Cameron was well under may Monday.

Ralph Mitchell of the State Health Bureau had been greatly encouraged from a number of sources and the program has been assured a city wide co-operation.

The city will join in the campaign and civic organizations have been asked or will be invited to participate in this important work.

Primarily rat extermination is a health measure. Second in importance is the destruction wrought by rodents. It is estimated that the toll in Cameron alone will run around twenty-five thousand dollars each year.

Eight cases of typhus fever have been reported in Cameron since Jan. 1st. All typhus is traceable to rats.

Dr. Roy G. Reed, director of the health unit, plans to start the campaign on October 20th.

TODAY'S IMMORTALS

Graham McLerran of Cameron and Felix Kaulfus of Burlington left Cameron at noon Tuesday on the Santa Fe for Houston where they will report for induction into the United States army.

Both young men were happy over their experience and were eager to begin their service in the army.

They will report at the old City Hall in Houston which has been designated as the concentration point and from there will be transferred to some branch of the service. Best wishes of their many friends go with these patriotic young men.

For 1942—a Beautiful New

FORD

"6" OR "8"

IN THESE UNUSUAL TIMES we invite you to inspect an unusual new car—new in its beauty, its comfort, its choice of two fine 90 horsepower engines, 6 cylinders or 8.

See it and you sense at once that here is new style that will *stay* good for years. On a lower, wider chassis, we have designed new long, low, wide and modern lines.

Interior treatment is entirely fresh, distinctive, pleasing. The beauty of this Ford will more than hold its own in any company.

Inside, the car is *big*—wide across the seats, generous in knee-room, leg-room, elbow-room.

On the road this year you find the "new Ford ride" still further advanced in its softness, quietness, steadiness and all-round comfort.

At the wheel, you will find driving easier than ever. Steering, gear-shifting, action of the big and sure hydraulic brakes have all been made smoother and easier.

In quality, the car is sound to the last detail. Defense requirements have all been met without a single reduction in the basic and lasting goodness of the Ford mechanically. Some new materials have replaced old ones, usually at a greater cost to us, *but in every case the new is equal to or better than the old.*

If your family needs a new car, go see and drive this Ford. *For what it is today and for what it will be through the years ahead, we believe that you will find in it more and better transportation for your money than you have ever found before.*

A most unusual Racing Team will be an all Girl Racing Team from Round Rock.

The public is invited to see these races.

The Central Texas Volunteer Firemen's Association has grown from a mere hand full of Firemen, to a large association, it is an inspiration to all firemen because of the education and entertainment they derive from these conventions.

Victory V on Egg From Tracy Farm

An egg with a victory V on it is on display at the Herald office.

The egg was sent to the Herald by Cecil Plate of Tracy. The V is unmistakable and about one quarter inch or more in size and perfect.

Mr. Plate said he had never seen anything like it and it is more interesting because of the recent Victory campaign throughout the world.

A Milam County hen has set the pace for victory eggs.

CARD OF THANKS

We wish to thank the good people who so kindly assisted us during the recent illness and death of our wife and mother, Mrs. H. L. Atkinson. We especially thank Dr. Leland Denson, Dr. Reischar, the three nurses: Mrs. F. E. Jackson, Miss Bell, Mrs. Hess, an the entire hospital staff for their untiring attention and devotion We also express our appreciation for those who sent floral offerings.

Imogene McLerran Weds Harry G. Haraway At Presbyterian Manse Wednesday October 1

Miss Imogene McLerran became the bride of Harry Grayson Haraway at 9 a. m. Wednesday, October 1, 1941, at the Presbyterian Manse in Cameron with Rev. O. C. Acrey, pastor, performing the ceremony.

The wedding ceremony was witnessed only by members of the family.

The bride is the daughter of Mr. and Mrs. Frank McLerran of Cameron and the groom is the son of Mrs. A. M. Haraway of Paris.

The bride wore a blue costume suit with black accessories and wore a corsage of sweetheart roses. She is a graduate of Yoe High School in Cameron and attended school in Dallas. She was Secretary to the late J. K. Freeman, lawyer and investment manager, for several years in Cameron and was associated with the Freeman estate after the death of Mr. Freeman Several months ago she accepted a position with the State Department of Public Welfare office in Cameron and was with that department at the time of her marriage. She is the youngest daughter of Mr. and Mrs. Frank McLerran of Cameron.

Mr. Haraway was born and reared in Paris and a graduate of the Paris High School and attended the University of Texas. He came to Cameron in 1937 from Dallas and established the Western Auto Associate Store here. Prior to his residence in Dallas he lived in Chicago, Ill.

After a wedding trip to Monterrey, Mexico, and points of interest in South Texas, they will be at home in the Denson apartments at 304 East 13th street after Ocober 10th.

Mr. and Mrs. W. J. Dragoo of Val Verde was a Cameron business visitor Tuesday.

Mrs. Ben Whittington of Val Verde transacted business in Cameron Tuesday.

Temple Telegram Picks Rockdale Tigers to Beat Yoemen Friday

Consternation was registered on the seismograph of complacency here Tuesday when the Temple Telegram picked the Rockdale Tigers to beat the Yoemen Friday night.

It wasn't just according to what was expected of the Telegram. But at that, they may not be far wrong. Rockdale has a strong team. The Tigers have won two games. The scores were not impressive but may have found Gatesville stronger than the Hornets proved to be against Cameron.

Anyhow it's going to a great battle and the first conference game of the year.

The Temple Telegram has lost a little face with local touters but its prediction has echoed through the barracks where the Yoemen are quartered these days trying to get in that winning frame of mind again. There are dangerous days ahead, but thar's gold in them thar hills—over at Killeen.

Mary Virginia Atkinson has returned to Huntsville where she will continue teaching in the English Department of Huntsville High School.
